

Autism Spectrum Disorders Clinic *presents...*

“PATHWAYS”

Guiding Families After An Autism Diagnosis

This educational series is designed for parents of children diagnosed with an autism spectrum disorder (ASD). It will provide critical information about ASD diagnosis, treatment options, and services.

UNIT A: NAVIGATING THE COMPLEX WORLD OF ASD

MEETING 1: Understanding ASD

MEETING 2: What’s Out There? Treatment Options

MEETING 3: Making Informed Treatment Decisions

MEETING 4: School and Community Resources

UNIT B: MANAGING DAY-TO-DAY CHALLENGES

MEETING 1: Addressing Problem Behaviors: Part I

MEETING 2: Addressing Problem Behaviors: Part II

MEETING 3: Strategies At Home—How To Address Specific Developmental Concerns

MEETING 4: Enhancing Social Development—The Parents’ Role In Treatment

Each unit runs over four consecutive weeks. Parents may begin with Unit A or B.

Meetings are held in our Randolph location from 6:30 to 8:00 p.m. Please call for dates and availability.

The Autism Spectrum Disorders (ASD) Clinic is a program of the National Autism Center and May Institute. The ASD Clinic provides diagnostic evaluations and therapeutic treatment services to children and adolescents with ASD and their families. Our experienced clinicians offer services that include standardized assessments, behavioral treatment, social skills development, and parent support.

May Institute
Shaping Futures. Changing Lives.
