CHILDREN AND YOUTH WITH AUTISM SPECTRUM DISORDER (ASD)

RECENT ADVANCES AND INNOVATIONS IN ASSESSMENT, EDUCATION, AND INTERVENTION

Edited by James K. Luiselli, Ph.D.

Autism spectrum disorder (ASD) is a relatively new diagnostic label which reflects the variability and differentiation of symptomatology among children and youth commonly described as having autistic disorder, high-functioning autism (HFA), and Asperger's syndrome. Current best practices have emerged from decades of evidence-based research, research-to-practice translation of empirically supported procedures, and consensus-driven recommendations from multiple disciplines. As a result, practitioners have many educational and intervention choices for children and youth with ASD—what is critical is that these options are informed by empirical outcomes that have been replicated in experimental trials (group and single-case) and disseminated to professionals and researchers alike.

Children and Youth with Autism Spectrum Disorder (ASD) is a state-of-the-art volume of 15 chapters across four thematic sections that reflect the current convention of viewing autism along a continuum of presenting symptoms. Skillfully edited by James K. Luiselli, sections cover diagnosis, assessment, and measurement; evidence-based practices; health and development; and additional topics such as mindful caregiving and support, CBT, and behavioral family intervention. Compiling the most up-to-date advances in approaches toward diagnosis, education, treatment, and program development, *Children and Youth with Autism Spectrum Disorder (ASD)* will be a valuable resource for professionals and trainees in the ASD field including psychologists, educators, therapists, behavior analysts, and similar practitioners. It is also appropriate for academic researchers and courses devoted to clinical psychology, special education, developmental disabilities, and special topics.

Table of Contents

Preface
About the Editor
Contributors

Section I: Diagnosis, Assessment, and Measurement

1. Conducting Diagnostic Screening and Assessment

Johnny L. Matson, Jennifer S. Beighley, Lindsey W. Williams, and Anna C. May

2. Co-Morbidity Among Children and Youth with ASD

Nicole Neil, Laura Moum, and Peter Sturmey

3. Progress and Outcome Measurement

Ruth Anne Rehfeldt, Jonathan Baker, and Leigh Grannan

Section II: Evidence-Based Practices

4. Early Intensive Behavioral Intervention (EIBI): Current Status and Future Directions

Linda A. LeBlanc, Natalie A. Parks, and Nicole M. Hanney

5. Computer-Based Instruction

Jeff Sigafoos, Sathyaprakash Ramdoss, Debora Kagohara, Robert C. Pennington, Giulio E. Lancioni, and Mark F. O'Reilly

6. Naturalistic Approaches to Social Skills Training and Development

Mark F. O'Reilly, Audrey Sorrells, Summer Gainey, Jeff Sigafoos, Giulio E. Lancioni, Russell Lang, Mandy Risplioi, and Tonya Davis

7. Augmentative and Alternative Communication (AAC)

Ralf W. Schlosser, Jeff Sigafoos, Howard Shane, Rajinder Koul, and Parimala Raghavendra

8. Self-Management and Self-Regulation

Mark R. Dixon and Autumn N. McKeel

9. Pivotal Response Treatment

Lynn Kern Koegel, Brittany Lynn Koegel, Robert L. Koegel, and Ty Vernon

10. Evaluating and Improving Intervention Integrity

Florence D. DiGennaro Reed and Derek D. Reed

Section III: Health and Development

11. Food Selectivity and Refusal

Charles S. Gulotta and Peter A. Girolami

12. Sleep Problems

V. Mark Durand

13. Exercise, Physical Activity, and Sports

James K. Luiselli

Section IV: Additional Topics

14. Mindful Caregiving and Support

Nirbhay N. Singh, Giulio E. Lancioni, Alan S. W. Winton, Judy Singh, Ashvind N. A. Singh, and Angela D. A. Singh

15. Cognitive-Behavioral Therapy

Robert R. Selles, Danielle Ung, Josh Nadeau, and Eric A. Storch

16. Behavioral Family Intervention

Adel C. Najdowski and Evelyn R. Gould

17. Commentary: Conclusions and Future Directions

James K. Luiselli

Simple ways to help promote your title

To ensure that *Children and Youth with Autism Spectrum Disorder (ASD)* receives the widest attention possible within the academic community, here are some ways in which you, as an Oxford contributor, will be able to support us in spreading the word amongst your colleagues and contacts.

E-MAIL/ONLINE

- We've created a custom promotional PDF flyer for your title. You will be able to e-mail this to your friends, family, colleagues, relevant organizations, and online discussion forums and blogs, and distribute at appropriate meetings and conferences.

- Include OUP's online catalog link for your title, or a clickable thumbnail of the book jacket on your e-mail signature (jacket images available upon request):

OUP recently published my work in *Children and Youth with Autism Spectrum Disorder (ASD)*. For more information, visit:

<http://global.oup.com/academic/product/children-and-youth-with-autism-spectrum-disorder-asd-9780199941575>

- If your school has an intranet, we will supply you with the book blurb, jacket art, and order form for you to post.

CONFERENCES

- Are you planning to speak at any events or meetings in the near future? If so, let us know and we will provide the appropriate promotional materials.

UNIVERSITY/ORGANIZATION

- Your university is a great resource to help you spread the word about your publication. If you provide us with the contact details for your press office or public relations department, we'll be happy to discuss additional promotion possibilities with them.

- Does your university's library currently carry your publication? If not, submit the enclosed library referral form to your librarian or library acquisitions committee.

- Does your alumni publication feature the published works of alums? If so, please provide us with the publication's editorial contact information, and we will reach out to them.

FRIENDS AND FAMILY

- Would you like your friends, family, and colleagues to have an opportunity to purchase your publication at a special price? Send your contacts a copy of the enclosed flyer along with the following message (e-mail or letter):

Hello,

Oxford University Press recently published my work in *Children and Youth with Autism Spectrum Disorder (ASD)*. It is a comprehensive and timely reference, and I believe it will be a valuable addition to your collection. Oxford has generously arranged to make *Children and Youth with Autism Spectrum Disorder (ASD)* available to "friends and family" of the work at a special price for a limited time. Oxford offers you the opportunity to receive a discount if you purchase the work within the next twelve months.

You will receive 20% off the list price of \$65.00! For more information or to take advantage of this exclusive discount, please visit <http://www.oup.com/us> and type promotion code: 32568 in the top right corner of the screen.

All best regards,
Your name
