Mask Refusal (Attention Maintained)

Good Behavior Game
The Good Behavior Game can be used to help students follow safety protocols for mask wearing and physical distancing.

Wearing a mask helps keep germs from spreading.

Make sure:
The mask fits snugly against the sides of your face so germs can’t escape.

Why We Use Hand Sanitizer

In this video, we’ll learn how to use hand sanitizer.

In order for hand sanitizer to do its job, make sure to put enough so that it almost covers one palm.
